## **Hit the Slopes with the ALL-NEW Woodroffe-Vorlage Ski and Snowboard Club**

School council has partnered with Ski Vorlage to bring you the **Woodroffe-Vorlage Ski and Snowboard Club** for students in grades 4 through 8.

We hit the slopes at Vorlage beginning in January on four Friday evenings. This is a great opportunity for your children to learn how to ski or snowboard and have fun with their classmates – all at a great price!

**Student Registration:**

Registration is OPEN NOW until Friday December 13. Please visit the [registration page](https://sites.google.com/view/woodroffeski/registration) to start: <https://sites.google.com/view/woodroffeski/registration>

**Parent Volunteers:**

The Woodroffe Ski and Snowboard Club would not be possible without parent volunteers. Parent volunteers are needed to ride the bus, assist the students with getting equipment on and to the lesson area promptly, and supervise students on the bus, in the lodge, and on the hills. ***Did you know that parent volunteers ski for free?***

***Don't ski or snowboard? Not a problem - non-skier/snowboarder volunteers are also welcome!***

Volunteer registration is OPEN. Please visit the [volunteer information page](https://sites.google.com/view/woodroffeski/volunteers): <https://sites.google.com/view/woodroffeski/volunteers>

**Lastly:**

As my younger daughter child will be leaving Woodroffe after this year, I am looking for a parent to assume the coordinator role for the ski club starting with the 2020-2021 school year. This year and going forward, Vorlage has taken over most of the tasks, so the workload is quite manageable.

Please contact the ski club coordinator for more information.
